

# How to Rename your Custom Page

When you create a page for your Agent Website using our Page Builder, it will create a title for the page like "Post #35". To create a new title for this page

1. Find the page on your **Site Pages** (See red arrow below).
2. Select **Edit** (See blue arrow below).

3. Enter the new title in the text box on the top of the page (See arrow below).
4. Select **Update** (Circled below).
