

Add a Co-Presenting Agent to CMA Presentation

There may be a time when you are sharing a presentation with one or multiple agents. Follow these steps to add co-presenting agents to a CMA Presentation.

1. Click the **Actions** button (see below)

2. Select **Assign to Agent** (see below).

3. Enter **first and last name and select Lookup Agent** (see below, circled in red).
4. **Select the agent** and select **Add Co-Presenting Agents** (see below, circled in blue).

- a. NOTE: The Co-Presenting Agents will not see the presentation added to their account. However, their contact information will be included in your Presentation.

Co-Presenting Agents ×

Co-presenting agents will have their bio pages shown in the web and print versions of the the presentation.

Co-presenters

You do not have any co-presenters on this presentation
